

1. Drug Free Sport New Zealand (DFSNZ) filed anti-doping rule violation proceedings against the Respondent. I am advised that the Application for Provisional Suspension was served on her on 27 May 2019.
2. Since that time, the Respondent has spoken with the Registrar, admitted the violation and has expressed a reluctance to participate in the process in any way. The Respondent has been advised of the framework, the fact that consequences flow; and that there is an onus on her if these consequences are to be ameliorated in any way.
3. The available evidence is that a sample was taken on 13 April 2019, which on analysis contained clenbuterol. In accordance with the Rules, DFSNZ have filed an Application for Provisional Suspension. I am satisfied that the Respondent knows of this Application and has chosen not to participate in this teleconference. I can see no reason why a Provisional Suspension should not now be imposed.
4. A provisional suspension is therefore ordered on the Respondent with immediate effect from 5 June 2019. The Respondent may not take part in any way in any event or activity, organised, sanctioned or authorised by any sporting organisation which is a signatory to the Sports Anti-Doping Rules.
5. I make the following timetabling orders in relation to the substantive anti-doping rule violation proceedings:
  - (a) DFSNZ is to file and serve its Form 1 and any written material in support of it by **14 June 2019**;
  - (b) the Respondent is to file and serve his Form 2 together with any evidence and other written material in support by **28 June 2019**;
  - (c) DFSNZ to file any statements in response and memorandum by **5 July 2019**;  
and
  - (d) a pre-hearing teleconference is set for **9am on 9 July 2019**.

6. A copy of this Provisional Suspension Order will be sent to the parties but otherwise should remain confidential until publication of the final decision on the Anti-Doping Rule Violations. All other process steps under the SADR should similarly remain confidential.

Dated: 5 June 2019
